S50

Rapid S50 fulfils all demands for the modern office! This neat half strip stapler staples 2 to 50 sheets without a problem using the same staples. No matter how many sheets you staple you always get a perfect result! The Patented SuperFlatClinch™ Technology together with the innovative by-pass feature allows you to get superflat results, 40% reduced paper stacks, in 2-50 sheets of paper with the same staple. The smart and elegant S50 stapler is all made in metal and has a full rubber base for perfect precision. Tacking can be made. Rapid S50 is design coordinated with the SP30 Press Less™ hole punch.
